

NATIONAL ASPHALT
PAVEMENT ASSOCIATION

ASSOCIATE MEMBER APPLICATION

Associate Membership shall be limited to any person, partnership, trust, firm or corporation, operated on a for-profit basis, not actually engaged in the manufacture or production of asphalt but interested in the promotion and advancement of high standards of business practices in the use of asphalt pavement.

The undersigned company applies for Associate Membership in the National Asphalt Pavement Association and, if accepted for membership, will abide by the Constitution and Bylaws of said Association. Applications, once approved, will be considered on a continuing basis unless official notice of withdrawal is received.

Associate Members have a voice in the affairs of the Association through participation in Committees and Task Forces and through the Chairman of the Associate Member Council, who serves on the Board of Directors. Each Associate Member shall be assigned to one of the following categories:

Major Manufacturer/Supplier - Over \$10 million in Gross Annual Asphalt Related Sales: A firm which is a basic manufacturer of equipment or parts, refiner of asphalt cement, or supplier of materials used in the production and/or placement of asphalt; e.g. asphalt plant manufacturer, machinery manufacturer (pavers, rollers, tanks, etc.), oil companies, asphalt suppliers, aggregate producers.

Supporting Manufacturer/Supplier - Less than \$10 million in Gross Annual Asphalt Related Sales: A firm which is a basic manufacturer of equipment or parts, refiner of asphalt cement, or supplier of materials used in the production and/or placement of asphalt; e.g. asphalt plant manufacturer, machinery manufacturer (pavers, rollers, tanks, etc.), oil companies, asphalt suppliers, aggregate producers.

Sustaining Member: A firm which supports the asphalt industry, but does not manufacture or sell aggregate, asphalt or equipment used directly in the production, placement or transportation of asphalt; e.g. financial, surety, e-commerce, insurance, fabrics, pavement breakers, cold millers, software, publishers, truckers, test equipment.

Equipment Distributor: A firm which supplies (but does not manufacture) equipment to be used directly in the production and placement of asphalt.

Paving Contractor: A firm engaged in the placement of asphalt pavement, but does not own/operate asphalt production facilities.

Consultant Firm: Firms with two or more employees (including LLP, LLC) that provide consulting engineering, management, environmental, safety, health, marketing, asphalt mix design, plant operations, training seminars, inspecting, or laboratory services.

Individual Consultant: A self-employed individual engaged in providing consulting engineering, management, environmental, safety, health, marketing, asphalt mix design, plant operations, training seminars, inspecting, or laboratory services.
