## Page: Photos and Affidavit

A minimum of 5 photos must be uploaded on a new or full renewal application. One photo must be of the plant loadout in operation, one a long shot of the plant, and one of the plant entrance. Photos must have been taken during the last calendar year. Photos may be used by NAPA for marketing purposes. **Note: The photo that is uploaded in the first slot will appear in the online Awards Gallery. Please upload your best photo in the first slot.**
