Is there a practice or operation at your facility that is innovative or sets your facility apart? This can be related to safety, environmental practices, sustainability, community outreach, appearance, etc. Do you have any additional information about your facility that you would like to provide?

Page: Photos and Affidavit

A minimum of 5 photos must be uploaded on a new or full renewal application. One photo must be of the plant loadout in operation, one a long shot of the plant, and one of the plant entrance. Photos must have been taken during the last calendar year. Photos may be used by NAPA for marketing purposes. **Note: The photo that is uploaded in the first slot will appear in the online Awards Gallery. Please upload your best photo in the first slot.**
