EXTENSIONS OF REMARKS

RECOGNIZING ED MORRISON AND
SHELLY & SANDS INC.

HON. TROY BALDERSON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, February 21, 2020

Mr. BALDERSON. Madam Speaker, I rise today to extend my congratulations to Ed Morrison, and the entire Shelly & Sands Inc. team of my hometown, Zanesville, Ohio, on winning the National Asphalt Pavement Associations' Sheldon G. Haynes Award.

To be eligible for the Sheldon G. Haynes award, a paving company must first win the Pavement Associations Quality in Construction award for a project using more than 50,000 tons of asphalt. Paving companies must submit projects from across the United States to be judged by an independent pavement consultant. The projects are then judged on pavement smoothness, safety, and durability, and innovative techniques used during the projects. Of the thousands of largescale paving projects submitted every year, four companies are considered finalists and only one company wins.

The I-77 roadway in Guernsey County, Ohio presented a unique paving challenge for Quality Control Director Ed Morrison and the Shelly & Sands team. Shelly & Sands began paving in the middle of a bridge construction project. The team used innovative thermal cameras to ensure even asphalt cooling for surface smoothness and durability. This was just one of many masterful techniques used by the Shelly & Sands team to achieve success in this project.

I again extend my warmest congratulations to Ed and his team on this prestigious award. I look forward to hearing more about their future endeavors and wish them continued success in paving high quality, largescale projects throughout Ohio.
