

INTERNATIONAL MEMBER APPLICATION

International membership is limited to any person, partnership, trust, firm, or corporation operated on a for-profit basis engaged in the manufacture or production of scientifically proportioned asphalt pavement material, which is organized and operating in and under the laws of any country other than the United States of America and its possessions and territories.

International members shall have the right to receive all technical literature and to attend all regularly scheduled meetings of the Association but will not have the privilege of voting or holding office.

The undersigned company hereby certifies that it is actively engaged in the manufacture or production of asphalt pavement material and is organized and operating in and under the laws of any nation other than the United States of America and its possessions or territories. The undersigned further agrees to pay the International membership dues in U. S. dollars in accordance with the dues amount listed below or as may be amended by the Board of Directors. Applications, once approved, will be considered on a continuing basis unless official notice of withdrawal from the Association is received.
